- | | |
|--|--|
| <input type="checkbox"/> A home and community settings | <input type="checkbox"/> In a mental and behavioral healthcare setting |
| <input type="checkbox"/> An outpatient clinic | <input type="checkbox"/> Telehealth |
| <input type="checkbox"/> A hospital setting | <input type="checkbox"/> Schools and community education settings |
| <input type="checkbox"/> In a long-term care facility | <input type="checkbox"/> Other: _____ |

2. What is / are your role(s) in healthcare?

- | | | |
|------------------------------------|--|--|
| <input type="checkbox"/> Clinician | <input type="checkbox"/> Clinical Lead/
Preceptor | <input type="checkbox"/> Manager/ Director |
|------------------------------------|--|--|

3. Have you worked with clients / patients who experience any of the following symptoms or diagnoses?

- | | | |
|---|---|---|
| <input type="checkbox"/> 
Depression | <input type="checkbox"/> 
Anxiety | <input type="checkbox"/> 
Persistent Pain |
| <input type="checkbox"/> 
Heart Condition | <input type="checkbox"/> 
Diabetes | <input type="checkbox"/> 
Obesity |
| <input type="checkbox"/> 
Brain Injury | <input type="checkbox"/> 
Addiction | <input type="checkbox"/> 
Burnout |

4. Have you ever experienced burnout or feel like you were on the path to burnout in your healthcare career?

Why a Coach Approach

5. Have you encountered any of the following challenges with your patients, where they struggle to achieve their rehabilitation goals due to:

<input type="checkbox"/>		Emotion	<input type="text"/>
<input type="checkbox"/>		Attitude	<input type="text"/>
<input type="checkbox"/>		Motivation	<input type="text"/>
<input type="checkbox"/>		Assumptions	<input type="text"/>
<input type="checkbox"/>		Judgement	<input type="text"/>
<input type="checkbox"/>		Belief	<input type="text"/>

(10 = very comfortable / confident)

1	On a scale of 1-10, how comfortable and confident do you feel right now describing what a Coach Approach is to a client or colleague?	<input type="text"/>
2	On a scale of 1-10, how comfortable and confident explaining why we should use a Coach Approach in your workplace?	<input type="text"/>
3	On a scale of 1-10, how comfortable and confident do you feel about the how to use a Coach Approach?	<input type="text"/>

Coaching Demo

What do you notice or observe? (e.g., body posture, tone of voice, inflection, eye gaze, pace, etc.)
List all the questions you hear the clinician ask.

Definitions

What is Health Coaching?

A patient / client-centered process that is based on behavior _____ and is delivered by health professionals with _____ backgrounds.
(Wolever et al., 2013)

What is a Coach Approach in Physiotherapy?

A semi-structure conversational _____ where concrete _____ are co-developed through accessing individuals' _____, resources, and creativity with the intent to: a) empower clients to get their occupational wants or needs met; b) enable _____ change through meaningful self-directed actions. (Hélène Thériault, 2025)

What is a Motivational Interviewing (MI)?

A particular way of talking with people about change and growth to strengthen their own motivation and commitment.
(Miller & Rollnick, 2023)

Reference: Global Wellness Institute, 2022.

About your Instructor H el ene Th eriatult

Master Certified Coach | Registered Occupational Therapist | Adult Educator

H el ene is a registered occupational therapist who also has a university education in Kinesiology and a certified leadership coach, that has seen the life-changing power of coaching help people reach their full potential. Her vision is that all healthcare professionals learn how to incorporate a coach approach into their practice to empower their clients / patients and amplify their results.

As the creator of the Dive Into a Coach Approach® model, H el ene combines the best in coaching theory and adult education to make the transformative power of this approach accessible, practical, and actionable. Using a learner-centred approach, her workshops are highly engaging, infused with fun and relevant activities, and designed with an eye to making the information “stick.”

H el ene also works as a clinical instructor at the University of British Columbia and holds a Master of Adult Education degree from St. Francis Xavier University. She is the Global Leader for the International Coaching Federation Health and Wellness Community of Practice. When she’s not running her business, you can find her skiing with her husband and two kids or playing beach volleyball with friends. To learn more about other services H el ene offers, check out her website at: www.functionfirstcoaching.com
